

LUMBEE TRIBE OF NORTH CAROLINA

Internal/External Posting

The Lumbee Tribe has an employment opportunity for a Tribal Vocational Rehabilitation Counselor. The Rehabilitation Counselor of the VRH Program will provide one on one vocational rehabilitation services to eligible Lumbee tribal members. The VR Counselor will conduct the intake process, develop Individualized Plans for Employment, and provide vocational counseling as needed to promote employment/vocational independence for eligible tribal members.

Bachelor's Degree in Counseling, Psychology, Social Work/Sociology or related field and at least 7-10 years of experience in Rehabilitation Counseling, social work, or related area with demonstrated level II counseling experience is required. Preference will be given to candidates that possess certification as a rehabilitation counselor through the CRCC. Qualified candidates should also possess documented professional counseling experience with the ability to relate to diverse populations, and positive working relations with both internal and external agencies and programs. Knowledge of federal laws governing the delivery of American Indian Vocational Rehabilitation Services is desirable. Qualified candidates must possess excellent communication skills, computer skills, and organizational skills. Must have a valid NC driver's license and transportation and be willing to work evenings and travel throughout the service area of Robeson, Hoke, Scotland and Cumberland Counties.

Preference in employment will be given to those individuals who are actively enrolled members of the Lumbee Tribe of North Carolina and who are knowledgeable of the communities to be served. Applicants may submit a current resume, but an employment application will need to be completed and signed to be considered. An application may be obtained from the Tribal Office's Human Resources Department at 6984 Hwy. 711 West in Pembroke, NC or on the website at www.LumbeeTribe.com.
