

EXPLAIN WHAT SECTION OF THE LUMBEE CONSTITUTION OR TRIBAL
ORDINANCE THAT HAS BEEN VIOLATED

1. Article IX. The Lumbee Tribe of North Carolina states: In the event the Tribal Council establishes inferior courts the Supreme Court of the Lumbee Constitution shall have
2. appellate jurisdiction only over those cases and controversies arising under tribal ordinances. The Lumbee Tribe has failed to abide by the decision of the Tribal Administrative Court issued on July 30, 2013.
- 3.

EXPLANATION OF HOW OR WHY THE LUMBEE CONSTITUTION OR TRIBAL
ORDINANCE WAS VIOLATED

I was proven by the Administrative Court of my
Explanation pursuant to Article IX. Due to all fairness
I ask to be reheard that I will bring forth my evidence
to Lumbee Tribal Court.

Because even though I've already proven myself
I should not have proven myself again; all evidence
where before the Courts and shouldn't had to prove
myself again. (Due to the lack of my knowledge of the
Constitution I will have someone with me to relate to
the Constitution's rights.)

STATEMENT OF RELIEF BEING SOUGHT

1. I request my petition be heard en Banc or by the whole
panel of the Supreme Court.
2. I ask the Supreme Court to enforce the decision handed
down in this matter by the Tribal Administrative Court
(see attached Tribal Administrative Court Decision)
