DATE: June 14, 2018

Joint Consultation Agreement with the Lumbee Tribe of North Carolina and the Atlantic Coast Pipeline, LLC

WHEREAS, The Lumbee Tribe of North Carolina (“LTNC”) is a recognized American Indian Tribe of the State of North Carolina, subject to the Constitution of the Lumbee Tribe of North Carolina (“Tribal Constitution”) and its inherent powers and self-government; and

WHEREAS, The Lumbee government was formed to preserve for all time the Lumbee way of life and community, promoting the educational, cultural, social, and economic well-being of Lumbee people, and securing justice and freedom for the tribe; and

WHEREAS, Article VII, Section 1 of the Tribal Constitution delegates all legislative authority to the Tribal Council of the Lumbee Tribe of North Carolina (“Tribal Council”); and

WHEREAS, approximately 30,000 American Indians live within one mile of the Atlantic Coast Pipeline's proposed route of the pipeline's construction and operation; and

WHEREAS, just as our ancestors, the members of the Lumbee Tribe depends on rivers, streams, aquifers, and other ground water sources, community lands, forests, swamps, and environment for sustenance, medicines, as well as for health, general welfare, and sustainability of tribal communities and the ecosystem; and

WEHEREAS tribal members hold sacred all cultural resources, artifacts and sacred grounds within the vicinity of the construction operation of pipeline in Lumbee country.

THEREFORE, the Atlantic Coast Pipeline, LLC (“ACP”), and the Lumbee Tribe of NC (“LNTC”) agree to work jointly on protecting environmental and cultural resources impacted by pipeline construction and operation. And, to collaborate with the Tribe on its ability to provide a safe, livable homeland for its members and residents; and

THEREFORE, BE IT FINALLY RESOLVED that the Lumbee Tribe of North Carolina's Tribal Council accepts an agreement to work jointly in the future by meaningful Tribal consultation, as defined by the Tribe, providing job training opportunities available to its membership and detailed monitoring of the discovery, treatment and management of culturally and environmentally sensitive areas and resources along the pipeline construction route (ie graves, artifacts, streams, swamps, trees, and religious or sacred grounds) through enhanced communication and detailed working relationship between the two entities.
