Step 8: Your Registration Process should be Complete!

Step 9: You should now have complete access to your 'Lumbee Member Portal'!

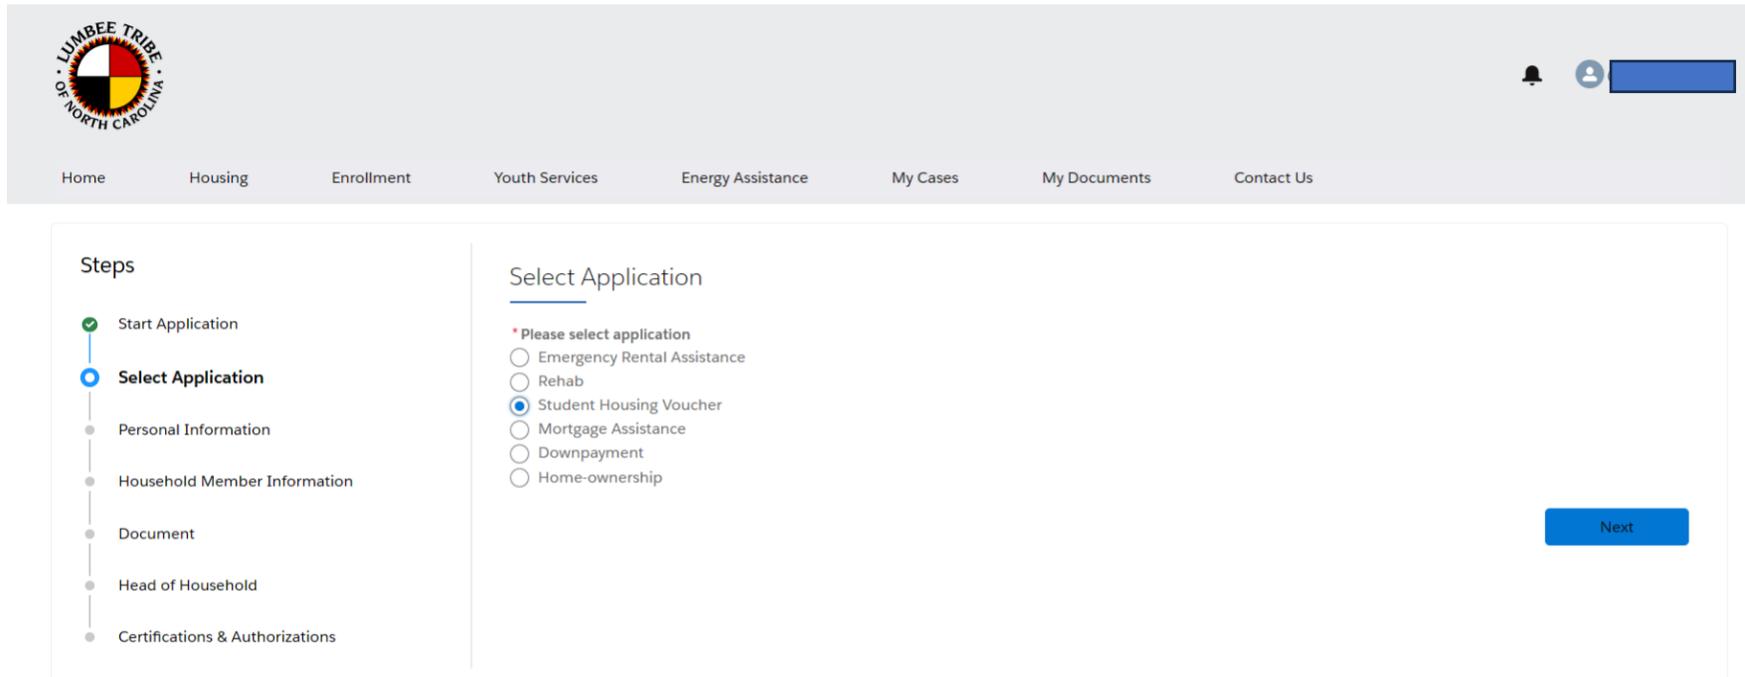

Welcome to the Lumbee Member Portal!

The Lumbee Member Portal empowers tribal members to stay engaged and connected. Members are easily able to update their address and information, which is shared across our departments instead of individually updating by department. The portal allows members to connect directly to services they need opening requests that will be flagged and completed by the department. Members can check for request status updates and task completion. The portal will continue to be expanded with important updates and other ways we can serve members.

Thank you for working together to stay connected so we can better serve you.

Step 10: Once your registration is complete you may ‘Select Application’ that you are seeking to begin

The screenshot displays the user interface for the Lumbee Tribe of North Carolina. At the top left is the tribe's logo, a circular emblem with a red, white, and yellow design, surrounded by the text "LUMBEE TRIBE OF NORTH CAROLINA". To the right of the logo are a notification bell icon and a user profile icon with a blue rectangular placeholder. Below the header is a navigation menu with the following items: Home, Housing, Enrollment, Youth Services, Energy Assistance, My Cases, My Documents, and Contact Us.

The main content area is divided into two sections. On the left, under the heading "Steps", is a vertical progress indicator with seven steps: "Start Application" (completed with a green checkmark), "Select Application" (current step with a blue circle), "Personal Information", "Household Member Information", "Document", "Head of Household", and "Certifications & Authorizations".

On the right, under the heading "Select Application", is a list of application types with radio buttons: "Emergency Rental Assistance", "Rehab", "Student Housing Voucher" (selected with a blue dot), "Mortgage Assistance", "Downpayment", and "Home-ownership". A red asterisk and the text "* Please select application" are positioned above the list. A blue "Next" button is located at the bottom right of the selection area.
