DATE: SEPTEMBER 19, 2024

REPEAL OF ORDINANCE CLLO-2023-1221-01 "VIRTUAL USAGE FOR COMMITTEE MEETINGS"

WHEREAS, The Lumbee Tribe of North Carolina ("Lumbee Tribe") is a recognized American Indian Tribe of the State of North Carolina, subject to the Constitution of the Lumbee Tribe of North Carolina and its inherent powers of self-governance; and,

WHEREAS, Article VII, Section 1 of the Constitution of the Lumbee Tribe of North Carolina delegates all legislative authority to the Tribal Council of the Lumbee Tribe; and,

WHEREAS, The Lumbee Tribal Council previously enacted Ordinance CLLO-2023-1221-01 to regulate the use of virtual technology for committee meetings to increase transparency and encourage greater participation from our tribal community; and,

WHEREAS, It has come to the attention of the Tribal Council that the virtual access provision in this ordinance has been exploited in ways that threaten the sovereignty of our tribal government, including the abuse of recordings that have been used to undermine the authority of the tribal government; and,

WHEREAS, This misuse jeopardizes the integrity of tribal governance by eroding trust and creating divisions within the community, thus impeding the ability of the Tribal Government to govern effectively without outside interference; and,

WHEREAS, The Tribal Council recognizes the critical importance of maintaining transparency and participation but must also protect the sovereignty of the Lumbee Tribe from external influences that seek to manipulate tribal matters for personal or political gain; and,

WHEREAS, Alternative means of ensuring transparency and community engagement, such as in-person attendance and structured communications, must be explored to strike a balance between transparency and the protection of the tribe's sovereignty; and,

THEREFORE, Be it enacted by the Tribal Council of the Lumbee Tribe of North Carolina that Ordinance **CLLO-2023-1221-01** "Virtual Usage for Committee Meetings" is hereby repealed in its entirety, effective immediately.

Section 1: Purpose

The purpose of this repeal is to protect the sovereignty of the Lumbee Tribe by eliminating the misuse of virtual meeting access, which has been used in ways that threaten tribal governance and erode the trust required for effective leadership.

Section 2: Sovereignty and Governance

The Tribal Council affirms the importance of safeguarding the autonomy of the Lumbee Tribe by ensuring that governance processes are free from manipulation and abuse, while continuing to explore other avenues for transparency and community involvement.

Section 3: Alternative Solutions

The Tribal Council will consider alternative methods to maintain transparency and community participation, including encouraging in-person attendance and creating structured avenues for communication and information sharing, which do not compromise the tribe's ability to govern effectively.

Section 4: Effectiveness

This repeal takes effect immediately upon the completion of the posting of the Ordinance for thirty days after the adoption by the Tribal Council of the Lumbee Tribe of North Carolina.
